New X-ray Unit In Operation At Didsbury Municipal Hospital

Upon approval by the federal government, the Department of Public Health has installed a new 200 MA X-ray unit in the Didsbury Municipal hospital to replace the 100 MA machine in use since 1945. The new unit is valued at \$13,500 and incorporates a number of advanced features, including a motorized table, a free-running tube stand, and a polyfilm device for fluoroscopy work.

A number of changes were made necessary by the new installation, and the required construction of a leaded isolation booth for the technician, and additional lead sheathing to block scatter radiation were completed last month.

The new X-ray went into operation on March 7th, and other necessary renovations will be completed in the very near future.

EVANGELICAL GROUP TO CONVENE HERE

There will be an Evangelical W.S.W. convention in the Evangelical Church, Didsbury, April 16, 16 and 17. Miss Jean Kellerman, missionary from Japan, home on furlough, will speak Tuesday evening and again on Wednesday afternoon at 3:30.

Miss Lois Miller, a general officer of the organization, from Dayton, Ohio, will speak on Wednesday evening.

Evening meetings will begin at 7:45 p.m. The public are invited and will be very welcome to these meetings.

MELVIN NOTES

(From Our Own Correspondent)

Dinner guests of Mr. and Mrs. J. Kershaw on Easter Sunday, were the latter's sister, Mrs. Sportell, and Mr. and Mrs. Bob Barclay and family of Cremona. Mrs. Barclay is Mrs. Kershaw's niece.

Mrs. George Youngs and Bob left last week for Edmonton where the former will visit with her son and family. Bob will resume his work this week with the Sundre Construction Co. at Kinross.

The Westcott Scout chuck-wagon team, under the direction of assistant Scoutmaster Neil Youngs, made pretty good time in the lambroo races at Oids on Saturday night. Carstairs were the winners, but Westcott came second. The "horses" were Chry Weidner, Cliff Youngs, Roger Hoogwood and Gerald Debois; outriders were Francis Summerville, Lorne Nimmons and Elmer Youngs. "Rudder man" Frankie Murphy, really held that wagon in place, while driver Richard Kon-schuh stayed with them all the way.

The melting snows brought the Day Pound over the road by the Melvin hall for a brief period on Sunday. However traffic was never stopped and it isn't likely to flood again.

Jimmie Krebs of Edmonton is spending the holiday week at the home of his grandparents.

Barry Herbert of Elkton is visiting with his uncle and aunt, Mr. and Mrs. Lester Krebs and family. Raymond Fisher, who is park warden at Elkwater Park, is in Calgary at the present time taking a three-weeks' wedding course. On Sunday, Mr. and Mrs. Raymond Fischer and Mr. and Mrs. Lawrence Chandler were dinner guests of Mr. and Mrs. L. H. Chandler.

Mr. and Mrs. Royden Cowitz of Calgary were Friday visitors of Mr. and Mrs. August Krebs.

Friday dinner guests of Mr. and Mrs. A. E. Krebs were Mr. and Mrs. Roydon Moon and family of Edmonton, and Mr. and Mrs. Bill Moon and family of Didsbury.

Mrs. McRae's sister and family, of Stettler, spent last weekend at the McRae home.

Mr. and Mrs. E. Dupont Sr. celebrated their 37th wedding anniversary on Sunday evening with a family gathering and other guests.

Easter Sunday dinner guests of Mr. and Mrs. Lloyd Fischer were Mrs. Bernice Brooks and Mr. Frank Brand of Calgary, and Mr. and Mrs. Claire Fischer and children and Pamela and Sherrill Brooks.

Miss Viola McNaughton of West-askin is home for the Easter vacation. Donnie was down from Edmonton for the weekend. The latter is now doing practical surveying as part of his university course.

Local Lad Tops "Little Royal" Show

Ken Stiles, a young showman from Didsbury, captured top honors at the Vermilion "Little Royal" show held recently at the Vermilion School of Agriculture. It was the 25th show of its kind held at that point.

For the second year in a row, a student showing a prize swine took the grand championship at this annual event. The winner last year was Erhard Tiller of Barrehead.

Over 500 turned out to see the show. Among the spectator guests was R. M. Putnam, deputy minister of agriculture, who spoke briefly.

To win grand championship showmanship honors Stiles first had to top the swine class. He did this handsily, with Lawrence Stelmach of Wastok winning second place.

Mr. Stiles then competed against the six classes and again gave an exceptionally fine performance.

Graduating students in agriculture are each assigned an animal from the school to train and groom for the "Little Royal." This training takes place over a period of six weeks and the winner had his pig trained to respond perfectly to his command.

Mr. and Mrs. W. E. Stiles, accompanied by Mr. Bernard Fulkert, attended the show.

CREMONA NEWS

(From Our Own Correspondent)

The Home and School meeting was held in the auditorium last Tuesday evening. A talk by Mr. Kennedy, guest speaker, was much enjoyed.

Mr. J. McBain celebrated his 81st birthday last Wednesday, April 2nd, at his home. Mr. McBain is one of Cremona's old-timers. Mr. and Mrs. D. McBain and family, Mr. and Mrs. G. McBain and family, Mr. and Mrs. M. McBain and family, and Mrs. M. Turnbull and Maxine visited with Mr. McBain during the day.

Wee Desmond Sirr celebrated his third birthday on April 2nd, but his neighbors helped him celebrate on April 3rd.

The W.A. held its monthly meeting in spite of mud and bad roads, on Friday, April 4th. Twenty-two ladies met at the home of Mrs. M. Earle.

The choral singers from Didsbury battled the roads to keep their appointment at Cremona on Thursday evening of last week. Attendance was very poor, due mainly to the condition of district roads.

The local group of ladies who have been studying first aid, took their examinations at the Day Pound hall last Thursday evening.

Dr. Paul asked the medical questions required. The ladies who role them will be given certificates, but as yet the results have not been made known.

Congratulations to Mr. and Mrs. C. H. Krebs on the birth of a second son, Malcolm James.

Mr. and Mrs. E. Casebeer, Mr. D. Young, Lila Jean and Sylvia, attended Lions in Calgary last Wednesday.

Mr. Glen Laing was a fortunate farmer recently, when one of his milk cows gave birth to twin calves. Another farmer boasting twin calves this year was Mr. L. Bennett.

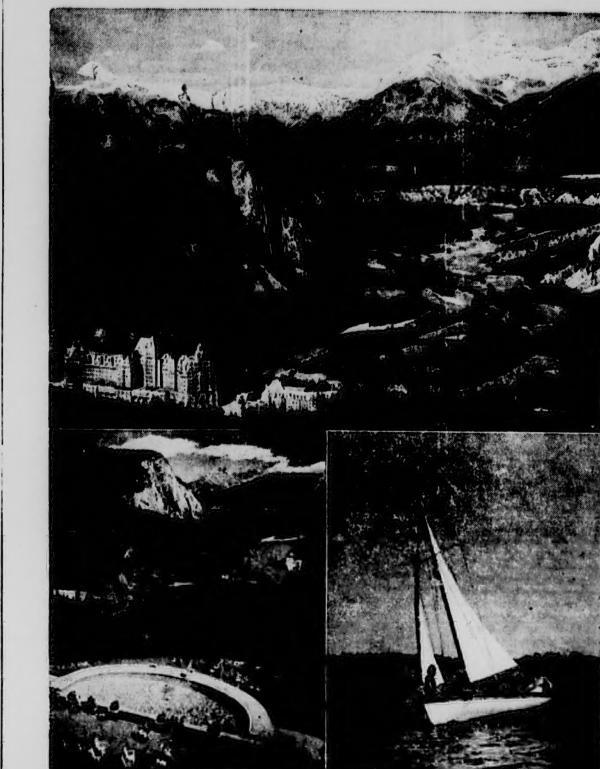

BIRTHS AT THE DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. K. Landsiedel of Didsbury, on April 7, a son.

Sportsmen To Hold Important Meetings

Fish And Game Group To Study Plans For Artificial Lake

The Didsbury Fish and Game Association will hold a regular meeting in the Lions hall at 8:30 p.m. on April 14th. The meeting will discuss the matter of putting in a dam in the Didsbury district for the purpose of planting game fish. Also a new members' annual fish derby will be discussed. All interested people, whether members or not, are urged to attend. There are no nominations or appointments of the district, and new ideas are always welcome.

The great outdoors beckons vacationers from all parts of the continent to Canadian Pacific's chain of summer resorts from coast to coast. In the upper picture, Banff Springs Hotel and its famous Bow River Valley golf course back in the

sun, showing a few of the many delights of the Canadian Rockies for the vacationers. Picture at lower left shows the swimming pool at Banff Springs Hotel.

In the sea-conditioned Maritimes on the east coast, Canadian Pacific hotels will be open again this year with their many seaside attractions such as sailing (lower right) near the Lakeside Inn, Yarmouth, Nova Scotia.

Pioneer Resident Passes Away

Mrs. Emma May Janke, aged 75, died at her home on Thursday, April 3rd. Born in Alexandria, she had lived in this district for 46 years.

She is survived by five daughters, Mrs. Ada Kestine, Mrs. Ethel Lauff, Mrs. Eva Rindal, Oids, and Mrs. Esther Schmidt, Bergen; three sons, Charles, Brenton, and Wilbur, of Harmanstad, and Fred, Didsbury; 29 grandchildren, five great-grandchildren, as well as four sisters and three brothers.

Services were conducted by Rev. T. Anderson in Knox United Church, Didsbury, on Saturday, April 5th at 3 p.m. Interment took place in Didsbury cemetery.

WEST NOTES

(From Our Own Correspondent)

Miss Maxine Hoogwood and her friend, Miss Mary Bourne, of Calgary, were weekend guests at the home of the former's parents.

Mr. O. Krebs returned home last week after spending two months in California.

Mrs. P. Luft is a patient in the Didsbury hospital.

Mr. and Mrs. H. Krebs entertained the McCullough and Krebs families to dinner on Sunday.

Mrs. Blain Sr. was receiving congratulations on Sunday, the occasion being her 85th birthday.

SPRINGSIDE NOTES

(From Our Own Correspondent)

The last meeting of the Springside Group was held at the home of Mrs. Art Jackson, when plans were made for a shower for Grace Rodney, to be held at Springside on Saturday evening, April 12.

Winner of the contest was Mrs. Art Jackson, with the hostess prize going to Mrs. Lawrence Chandler.

Miss Verba Brodie of Sundre is spending the Easter vacation with Elizabeth Collinge.

Mr. and Mrs. Jim Novacek were weekend guests of Mr. and Mrs. Verne Wraglessford, prior to their departure for Vancouver, where they will be making their new home.

Mr. and Mrs. Art Chamberlain, Leo and Roseanna, accompanied by Mrs. Chamberlain Sr., left on Friday for Victoria, where the latter will visit with her daughter for some time.

Albert, Barbara and Gene Hall of Calgary are spending the holidays with their uncle and aunt, Mr. and Mrs. Verne Wraglessford.

Mrs. Bob Collinge has returned home after spending the last three weeks with her parents in Medicine Hat.

Mr. and Mrs. Rolfe Corbett spent the weekend with Mr. and Mrs. Bill Cullings. Sunday visitors were Mr. and Mrs. Art Taylor and family of Aene.

Sunday afternoon visitors with Mr. and Mrs. Bob Kershaw, were all of the latter's family. In the evening the whole Kershaw clan called on them, the occasion being their 25th wedding anniversary.

Golfers To Take Another Swing . . . Not Artificial

The Didsbury Men's Golf Club have changed the spot for the annual meeting. Last word has it that the shotabits will meet in the Town Office at 8 p.m. on April 14th.

Sounds like an important meeting for those who intend using the putter or driver in the near future or later on in the year. It's your golf course, let's get interested now! Let's make it the best nine-hole course that's ever been seen in these parts.

Home & School To Meet Monday

School days, school days: Good old golden rule days: Ready! and 'twin' and 'rhymetic. Taught to the tune of a happy stick.

And that reminds us, the children go back to school on Monday, April 14th. And on Monday, April 14th, the next regular meeting of the Didsbury Home and School Association will be held in the school auditorium at 8 p.m.

Mr. J. Hooper and his committee will bring in a state of officers for

MOUNTAIN VIEW

(From Our Own Correspondent)

A surprise party was held Monday evening in honor of Mr. and Mrs. John Snyder, the occasion being their 19th wedding anniversary. A crowd of approximately 50 relatives and friends gathered for the celebration.

A game of "beat the winner" was played, with Mrs. Alfred Snyder and Mr. Mitchell, being the winners. A reading was given by Miss Lorene Snyder of Carstairs.

This was followed by a mock wedding. The bride and groom of 15 years were then presented with a number of gifts in crystal. The evening was brought to a close with the serving of luncheon which featured a beautifully decorated anniversary cake.

Guests from distant points included Mrs. Evelyn Schellberg and family, Mr. and Mrs. Roy Mitchell and Grant, Mr. Mitchell Sr. and Curtis Elstone of Montgomery, and Mrs. Dale Fox and family of Aene.

Mr. and Mrs. Harold Schultz had as their guests Friday the latter's mother and brother, Mrs. Grace Christensen and Mr. Leo Christensen of Calgary.

Wayne, Lyle and Sandra Schellberg of Montgomery visited for a few days at the home of their uncle and aunt, Mr. and Mrs. John Snyder.

Mr. and Mrs. Milo Stearns of Aene and Mr. and Mrs. W. Schultz, Donald and Kenneth, were Sunday visitors with Mr. and Mrs. Harold Schultz and family.

A welcome is extended to the two new families in the district: Mr. and Mrs. Hollis Anderson and family, who are living in the late Mr. Lawrence Meyers home, and Mr. and Mrs. Orville McManis, who are living on the former Ian Stauffer farm.

Choral Society To Perform Here

The Didsbury Choral Society has already commenced its series of Spring concerts. Oids, Midway, Cremona and Bowden have already heard the voices of this talented group.

On Thursday, April 10th, music lovers of Didsbury and district will be able to sit in on another in the series when the group will present its program in the school auditorium, commencing at 8 p.m.

In addition to the group singing, extra numbers in the form of solo, quartettes and octettes will be presented.

The society is non-denominational and six churches are represented among the 35 members.

Directors are Kenneth Sherrick and Richard Carpenter; pianists are Lucille Paul and Joyce Taylor.

Local Cubs And Scouts Compete In Ice Stampede

The Didsbury Scouts and Cubs did not win top honors at the Ice Stampede held in Oids last Saturday night, but they came home with wins on their shoulders.

Going into the finals as winners of their individual heats in the chuck-wagon races, both No. 1 Scout and Cub Pack lost out with top honors going to Carstairs Scout Group, and the No. 2 team from the Oids Cub Pack.

The Didsbury Cub team had the fastest time for the night in their heat, and the final was a neck-and-neck affair, with lots of spills and excitement. Once again penalties to the local group made the margin between winner and loser.

In spite of the bad roads, all groups in the district, with the exception of Cremona, who were "muddied in", took place in the contests.

Members of the Calgary Highlanders Pipe Band were in attendance — broomball hockey and an excellent tumbling act by the Calgary North Hill Pack and Troop, kept the audience very interested.

This was the first Ice Stampede put on by the Mountain View Scout Council, and in spite of the few "kinks" that invariably appear in a first effort, it was highly successful.

the next year. This will be your opportunity to add other names — or try to have your name removed. Voting will take place at the May meeting.

Plans for the annual high school banquet, as well as for the achievement day tea, will be made. And there will be something special. Have you any questions?

Attend the Home and School meeting on Monday, April 14th, at 8:00 p.m.

Bible Conference To Be Held Here

April 17th to 20th are the dates for a Bible conference to be held in conjunction with the closing exercises of the college year. Rev. and Mrs. R. Cheesman, recently returned missionaries from Nigeria, West Africa, will be here for the occasion.

Rev. Cheesman will speak Thursday evening at 8 p.m. and on Friday and Saturday at the hours of 2 p.m. and 8 p.m. in the United Missionary Church, Didsbury.

On Sunday afternoon, April 20, he will also be the speaker at the Baccalaureate Service, and will conclude his Bible Conference at 7:30 p.m. Mrs. Cheesman is the former Beverly Redfield, who was a nurse in the local hospital for some time.

On April 21, at 8 p.m. the commencement exercises of the college will be held in the United Missionary Church. Eighty young people will receive their Bibles Diplomas at the degree of Bachelor of Sacred Literature.

Kin Korner

Miss Sharon Brown, the Kinsmen's entry in the Calgary Stampede Contest, will appear on a TV show from Calgary between 2:30 and 3:00 p.m. on Saturday, April 12. If you don't know the girl you're supporting, 'twould be a good idea to tune in. Tickets are available from any of the local Kinsmen.

Don't forget the variety show in the school auditorium on Friday, April 25th.

UNLICENSED, INFERIOR VARIETIES

Far too many farmers in Western Canada continue to grow unlicensed, inferior, unrecommended varieties of grain crops. The farmer who grows unlicensed varieties is not only doing harm to himself but, what is more important, he is helping to damage Canada's reputation for producing high quality grain.

Top Quality Essential. Before a new variety is licensed it must meet the high standard of quality required to maintain Canada's advantageous position in the grain markets of the world. It must also show some advantage in disease resistance and yield over the varieties already available. In other words, a new variety is licensed and distributed in this country only when, after thorough testing, our crop scientists have found it to be superior in one or more important characteristics to existing varieties.

Difficulties Created. A farmer who grows an unlicensed variety of poor quality is not only "his own worst enemy" but he also creates a burden others must carry. His neighbors who grow licensed, top quality varieties carry him on their backs because his poor variety gets by only because it is mixed in with their good varieties. The final effect is however a general lowering of Canada's grain quality. Besides, unlicensed varieties cause serious difficulties in the inspection and grading of grain, and markedly increase the problems of the plant breeder who is striving to produce high quality grain varieties. Farmers who grow licensed and recommended varieties are helping to guard Canada's reputation for producing high quality grain. Unlicensed varieties are definitely inferior varieties. The farmer who grows them is adding to Canada's grain marketing problems. He is working against the best interests of western farmers.

Your local Agricultural Representative can provide you with a list of the licensed varieties of grain (crops) officially recommended for growing in your district in 1958. Plan on planting only licensed, recommended grain varieties this year. When it comes to varieties, the "West Must Grow the Best."

Writer Still Not Convinced . . .

The Editor,
Didsbury Pioneer,
Dear Sir:

May I throw on one more stick to keep the pot 'boiling'? I have presented three points which directly bear on the topic of Hall Suppression by supplying artificial nuclei. All were based on mathematics and scientific principles which can be demonstrated in our laboratories, but my friend has been pleased to call them "fancy." In their place he has substituted "theories" of so-called "top scientists," which even if correct leave it to our imagination to see any connection with hall suppression.

Before leaving the subject a few remarks about the actual formation of hail may be in order. When moisture condenses from air below freezing point, we get snow. Obviously if all air containing moisture is above freezing we can get only rain. Unfortunately in summer in our temperate climates we have layers and pockets of freezing air above or mixed in with the warmer air. When condensation takes place in the freezing air we have the snow or slush which generous-minded farmers attribute to hail suppression; thus we get the glowing testimonials illustrated by the recent letter from Three Hills. It is when raindrops from warmer air fall through the layers or pockets of freezing air that they turn to hail. There are also violent updrafts which can lift the drops or stones up to colder air, freezing and increasing their size in the process. I would be interested to hear how suppressionists think cloud seeding can affect the violent churning of the hail clouds, the freezing air, and other physical forces associated with hail formation.

Hail suppression has been compared to the invention of bicycles and aeroplanes. May I mention that blood-letting was once accepted by all the "top scientists" in the medical field. After a blood-letting many patients recovered from their

illness, just as it often doesn't hail when hail suppression is in operation. That proved it, didn't it? Of course, there were some ignorant souls, accused of thinking themselves experts in every field, who noticed that many ill people recovered without any blood-letting, but their ideas could be brushed aside as mere "fancy." The "top scientists" considered the future of blood-letting as secure as that of x-rays and gun-powder.

I notice that the hail companies are censured for not lowering rates where suppression is in effect. Why not rejoice instead that they leave the field clear for a W.R.D.C. sponsored company to make all that money? Company employees will want to be in on the stock bonanza. Kindly reserve goodly blocks of shares for our good friends, Messrs. Brooke and Bishop. Local hail suppression officials will eagerly buy up any remaining shares.

Failure to accept such a challenge, thrown out in my last letter already, makes me think of a nasty saying by a nasty man with a nasty mousethatch. He said: "England is ready to fight to the last Frenchman." I can't resist suggesting that W.R.D.C. is willing to show its faith in hail suppression to the last dollar — of the farmers and hail insurance companies, not their own! (Signed) EMEBSON R. SHANTZ

CHRISTIAN SCIENCE

How spiritual understanding of God's law of harmony brings healing and redemption will be set forth at Christian Science services Sunday.

Keynoting the Lesson-Sermon entitled "Are Sin, Disease, and Death Real?" is the Golden Text from Jeremiah (17-14): "Heal me, O Lord, and I shall be healed; save me, and I shall be saved; for thou art my praise."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (472:9-10): "Sickness, sin, and

School Children To Aid In Farm Safety Campaign

Over 35,000 rural school children have joined in the fight to help prevent farm tractor fatalities in Alberta during 1938. Pupils in grades 5, 6, 7 and 8, from 46 school divisions, as well as those taking correspondence school courses, will be submitting essays on the farm tractor and its safe operation. This is the 7th annual farm safety competition sponsored by the Alberta Safety Council, in co-operation with the Department of Education.

Alberta's tractor fatalities in 1937 amounted to 26. Nine of these were children under 17 years of age. However, with co-operation between school children, teachers and parents, fatalities can be cut down, and especially those occurring to young people. The essay competition aims to establish better understanding of safe operating methods and the reasons for keeping children off tractors and away from the operating area.

At the closing date of the essay competition, April 19, each teacher selects the two best essays, from her room and forwards them to the school division superintendent, who further reduces the entries from his division to four from grades 5 and 6 and four from grades 7 and 8. These are forwarded to the Alberta Safety Council for final judging by competent judges from the Department of Education.

death, being punimonious, do not originate in God nor belong to His government."

Scriptural readings will include the following (Psalms 33:45): "For the word of the Lord is right; and all his works are done in truth. He loveth righteousness and judgment, the earth is full of the goodness of the Lord."

HIDDEN CHARGES . . .

A customer in a barbershop was bedding to the barber about the \$1 haircut. "I'm just back from London, England," said the customer. "Over there, a haircut only costs the equivalent of about 65 cents!" "65?" shrugged the barber. Look at all that plane fare!"

Just For The Record . . .

We can't beef about the election anymore — the final count has been made and the crying towels have been sent to the laundry. However, we would like to take a shot at the conditions that prevailed in the vicinity of the town polling place. A few loads of gravel, which we understand can be had at a reasonable cost, would have saved the voters from the mud bath they had to plow through to cast their ballots. It would also be nice to have a solid surface underfoot for the other events that take place in the arena. Is the arena board tuned in on this channel?

And A Friendly Nod To . . .

To the Didsbury Rambler hockey club. This pot on the back is a little late but we didn't expect the season to end so soon — forgot there was no artificial ice in town. The "play for fun" fellows wound up a most successful season by winning the championship of the Chinook League, the first local team to come out on top in many, many years. 'Tis said there may be more teams in the loop next season — sounds good — more competition never hurt anyone.

Just For The Record . . .

We have received notes from a few long-time subscribers to The Pioneer, in our quest to try and determine just who has been receiving "the best paper in town" for the longest consecutive period. We know there are many more who haven't let us in on their secret. Drop us a line, and give a few details about your "marriage" to The Pioneer.

Another Famous Quote . . .

"When the grass looks greener on the other side of the fence, it may be that they take better care of it there!"

MR. DIEFENBAKER
AND BUSINESS

Nobody can be quite sure, at this stage, what use will be made of the tremendous personal authority now concentrated in the hands of one man, Prime Minister Diefenbaker. Nor is it plain how the nation's business will be affected if all his great assortment of promises to groups and regions is kept.

He has made many pledges and proposals in very general terms. He wants to divert a substantial part of the country's import trade from the U.S. to Britain. He plans to encourage the processing in Canada of materials now sold abroad in raw state. He has indicated that he will try to do something about American control of the export business of offspring companies.

To fruit and vegetable farmers, textile makers, fishermen and tobacco workers, he has promised protection or aid in one form or another. He has offered old-age security on the U.S. model, highway and aerial development of the north, a dam for Saskatchewan, a national oil policy, public works to end unemployment. The catalogue of his scheme is long.

PAY YOUR WAY . . .

A drunk staggered into a bar one night and yelled in a loud voice: "When I drink, everybody drinks!" Everyone was summoned to the bar — including the waiters and musicians.

After finishing the round, he ordered another. "When I drink, everybody drinks!" he shouted again. This time even the doorman and cab drivers were invited.

That done, he took a two-dollar bill out of his pocket and slapped it on the bar. "When I pay," he shouted, "everybody pays!"

SO TRUE . . .

You've got to hand it to the income tax people — or they'll come and get it.

Notes From D.A.

By HOWARD J. FULCHER

The Master Farm Family program will be carried on this year as it has previously. The objective is to honor farm families who have achieved notable success as farming citizens of the province. It is also designed to draw attention to these farmers and thusly demonstrate the successful livelihood farm families can achieve. In doing this, the program with these awards helps to set high ideals in agriculture and rural citizenship, which the rising generation may set their sights on.

A farm family may be nominated to this program by three farmers who know this family. The nominee then must consent to this nomination. The nomination must be in the hands of the local district agriculturist by June 1st of the year in which the family is nominated. To be eligible the family must be Canadian citizens and have farmed for 20 consecutive years.

In the selection of judges of these awards, a regular pattern is followed. The province is divided into a number of districts. Within each district there are a number of units, these units are the district agriculturist's territory. The district agriculturist and district home economist, a resident farmer and resident farm woman visit and evaluate the farm families concerned. From this evaluation they decide on the top from their unit and enter this top farm family in the regional division. These are later judged by provincial committees.

In scoring of a Master Farm Family, as the name implies, the family life and activities at home and their contributions to community affairs are considered and scored along with the farming program, livestock, buildings, cropping, enterprises.

As is indicated, this program is an award for the family living on the farm and the award gives recognition to the family which won it and to the district in which they live.

Anyone who is further interested may obtain nomination forms and additional information from your district agriculturist.

LIGHT YOUR WAY ...

... WITH BIBLE STUDY

When Jesus met his disciples after His resurrection He issued commands to them. The risen Christ is a Christ who requires service — and who has the right to expect service. He has a right to expect service because He has the power to make that service completely successful. As the Easter Christ He has at His command all the power of the universe. We are to serve this risen Christ.

One of these commands that He has left with us, as it is recorded in the Epistle to the Hebrews: "Not forsaking the assembling of ourselves together as the manner of some is."

On Easter Sunday the churches were filled to capacity beyond capacity. That is as it should be. But what of the Sundays from now till Christmas, when they will again be filled to capacity? May we neglect His Word and the place where His honor dwelleth? Certainly not!

May it also be said of you, as it was said of the early Christians: "They continued steadfastly in the Apostle's doctrine and fellowship and in breaking of bread and in prayers." Yes, this is one way in which you and I can serve our risen Saviour — faithful attendance on His Word.

You were in Church on Easter Sunday. Keep it up till Pentecost Sunday, and once you are in the swing of "going to church every Sunday" you will see that it isn't so difficult. And then consider the blessing you receive from Him who can make your service completely successful. Isaiah sums it up thus: "To this man will I look, even to him that is poor and of a contrite spirit and trembleth at My Word."

Serve the Lord by attending His services.

MEYER — WENZEL

A pretty wedding was quietly solemnized on Wednesday, March 19, at Mount Calgary Lutheran Church, Calgary, when Louise, eldest daughter of Mr. B. Wenzel, and the late Mrs. Wenzel, of Sibbald, was united in marriage to George Ernest Meyer, youngest son of Mrs. C. C. Meyer, and the late Mr. Meyer, of Didsbury. Rev. A. F. Miller officiated.

The bride chose for the occasion, a tailored blue suit, with accessories and wore a corsage of red roses. She was attended by her sister, Irma Wenzel, of Calgary, who wore a tailored navy blue suit and a corsage of yellow roses.

The groom was attended by Jack Meyer of Crossfield.

Following a reception held in the Beaton hotel, the happy couple left for a honeymoon to Great Falls. On their return they will reside in the groom's farm, south of Didsbury.

A LONG TIME ...

A Chicago judge the other day sentenced a 24-year-old man to 299 years in prison.

Ever wonder why such silly sentences are sometimes imposed by American courts? So have we.

The answer is that under Illinois law (and presumably it is the same in other states) a prisoner has to serve a third of his sentence before he is eligible for parole.

So the judge, in this case, was merely doing what he could to make sure that the prisoner would not be released until he was at least 123 years old.

It makes sense now, doesn't it?

Agricultural

Service Board

WEED SEEDS: This is the time of year when many farmers are getting their seed ready for the new crop year. Several things are important in this connection. Choose seed of suitable variety to your particular need and district. Be sure that the seed has a high germination.

Having chosen seed of good quality and germination, make very sure that the seed is thoroughly cleaned and weed seeds removed. Did you know that one pound of wild oats contains about 25,000 seeds; wild mustard, 20,000; pig weed, 150,000; Canada Thistle, Sow Thistle, 350,000. These figures sound fantastic and there is never 100 per cent extermination of them; however, no one would argue in favor of deliberately planting more weed seeds.

Usually this is done without intending to do so, but the consequences are the very same as though they were planted on purpose. Extra care and attention in preparing the seed and making sure that all weed seeds are removed before planting the grain is one good method of crop insurance.

Careless at this stage simply means that you will have to take steps later in the season to control the growing weeds. These steps are expensive and time consuming. Growing weeds are robbers and every farmer who engages in this expensive hobby is foolish when he can avoid it to a large degree by taking a close look at his seed to make sure that it is really clean.

WESTCOTT W.A. HOLDS

REGULAR MEETING

The regular meeting of Westcott W.A. was held at the church on March 19, with 15 members and one visitor present. Mrs. Cliff Eckstrand acted as hostess and devotional was read by Mrs. Vipond.

Mrs. A. Robertson gave a full report of the W.A. Presbytery meeting held at Lacombe earlier in the month. The missionary topic was given by Mrs. C. Fischer.

Jackson W.I. To Join Film Society

The Jackson W.I. met at the home of Mrs. F. Sommerville for its regular meeting, where 19 members and one visitor answered roll call with an unusual can industry."

A letter from Wm. Bagnall, civil defence director was read, as well as the financial report. An A.W.I. spoon was given to Mrs. M. Ray for 10 years of faithful membership in the W.I.

It was decided to take out membership in the film society, to be known as Jackson Community Film Association. The films are educational as well as entertaining.

Mrs. Faas delegate to the bi-annual conference, held in Calgary last month.

Gifts to the mentally ill was discussed and approved. Gifts should include: bright things such as cosmetics, soap, etc. No razor blades, scissors or anything that could be harmful.

Mrs. M. Ray, for her Canadian Industries topic, spoke about Medallia Poteries at Medicine Hat and the glass factory at Redfield. For her five-minute talk Helen Erickson chose "How Books Come Across the Border."

Canning was judged by Elma Bird, Mrs. Olson and Mrs. Munn, and the following were judged to go to Didsbury handicraft display: Mrs. Molly Faas, pickles; Mrs. Elmer Robertson, jelly; Mrs. Lydia Krueger, raspberries and Mrs. Molly Faas, corn on the cob.

It was decided to order a pair of sheets with the Fairfield order, to be given to the Senior Citizens' home.

FROM FERTILIZED FORAGE \$15 MORE PER TON!...

Protein is essential for meat and milk production. A ton of unfertilized grass has contains approximately 100 lbs. of protein. Application of high analysis Elephant Brand Fertilizer can double this figure to give you 200 lbs. of protein in every ton!

Most protein feed supplements contain 32 per cent protein, and cost up to five cents per pound. On this basis, the increased protein content resulting from the use of Elephant Brand adds \$15 to the value of every ton of forage... plus extra profits from faster growth and more abundant yields!

CHARLIE HORSE...
"I just heard that your husband is in the hospital." said a neighbor sympathetically. "What happened to him?"
"It's his knee" replied the wife.
"The other night I found a blonde on it."

HARRIS ROGERS

Thank You All

Now that we have settled down somewhat, after the election, I would like to take this opportunity through the medium of the press to express to you all, and particularly to the many loyal workers and supporters in and across this great Red Deer constituency, my heartfelt thanks.

This is not a Rogers' victory but a partnership victory and I trust it will remain so. The significant factor in the re-election of the Progressive Conservative government, is in my opinion, the Western support, which should forever remove that imaginary line between East and West, and means a truly National Government.

Victory means responsibility which I accept with a deep sense of humility, and I resolve to work hard for the best interests of you, the people, in the hope that you may have a real voice in the Government of this great Dominion.

Thanking you again.

HARRIS ROGERS

DISTRICT NEWS

M.V.B.C. NEWS

(From Our Own Correspondent)

The Easter weekend brought much of interest to the college campus. On Friday morning the seniors served their traditional Easter breakfast, having as their guests the faculty and juniors of the college. Rev. and Mrs. Alvin Traub, Rev. and Mrs. Harley Traub, Rev. and Mrs. William Annett, were special guests for the occasion. The seniors presented a very interesting and well prepared program during which time their college pins were also presented. Rev. E. Neufeld, pastor of the McDougall Flats United Missionary Church, was the speaker and brought a message on the class motto, "Possess the Land." Miss Addie Takana, aka expressed appreciation on behalf of the juniors and Rev. H. Traub also expressed appreciation for guests.

On Tuesday of last week Rev. Bob Simpson showed the lengthy film, "Awakening at Centerville," which depicted the life of a missionary who was called home because of ill health, but who brought revival to a large church.

Rev. D. M. Taylor was the guest speaker on Sunday at the United Church service at Westcott. In the afternoon Rev. Taylor and family went to Calgary to a birthday dinner for the 75th birthday of Mr. Taylor Sr. The family gathered at the home of the daughter, Mrs. Lancaster.

Miss Lois Suder spent the Easter holidays with her mother. She and Mrs. Suder were guests of the Arthur Eby family on Sunday evening.

On Sunday several students joined the United Missionary Church in Didsbury, and in the afternoon a number were baptized in the baptismal font of the Reed Ranch Church, east of Olds. A large number of people from Didsbury attended this impressive service.

On Thursday evening of this week the Didsbury Choral Society will present a program in the high school auditorium. If you haven't bought your ticket as yet, be sure to do so and come for this group has a good program under the direction of Kenneth Sherick, who has taken over the work since Mr. Carpenter left.

Next Sunday morning the winner of the Holiness Sermon Contest of the College will give his sermon in the United Missionary Church. The contest will be held in the chapel on Thursday morning at 10:30 a.m. of this week. Three young men are the final contestants.

WESTCOTT SENIOR W.L. HEAR REPORT OF CONFERENCE

Mrs. R. MacFarlane was hostess for the April meeting of Westcott Sr. W.L. at which reports of the district conference were given by Mrs. Ed Klinck, and of the Cancer Workshop by Mrs. C. Rinehart. A roll call was answered by "a washing or ironing hint." The 5-minute talk was given by Mrs. Baudistel on "the many uses of salt."

"Handicraft" was the topic for the day, and Mrs. B. Johnson showed and explained how she made a useful sewing cabinet and hassock. This was most interesting and practical.

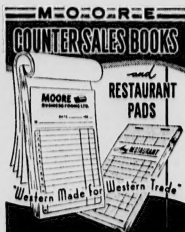

Results of the contest were: pickles: Mrs. Johnny Titworth, Mrs. Klinck Sr.; vegetables, Mrs. Klinck Sr.; Mrs. Ed Klinck. Members are asked to bring used clothing to the May meeting of the institute.

SOME FAMOUS QUOTES...

A lot of people will itch for something, but they aren't willing to scratch for it.

While children may tear up a house once in a while, they rarely break up a home.

There isn't much to see in a small town, but what you hear makes up for it.

Farm Young People's Week

The 40th annual Farm Young People's Week will be held at the University of Alberta in Edmonton, June 18 to 26. The course is sponsored by the university's extension department and features lectures and demonstrations on better farming methods.

As it has done for a number of years, the Alberta Wheat Pool will participate by sponsoring 35 young farm people, one from each of the seven numbered Wheat Pool sub-districts. Farm organizations in these sub-districts may nominate a candidate between the ages of 16 and 26 to attend the course. In selecting the winning candidates, preference will be given to those who have demonstrated their interest in school and community affairs, but consideration will also be given to those who have had little opportunity to participate in 4-H and other community activities.

As well as paying the return transportation of the selected candidates, the Alberta Wheat Pool will contribute \$15 toward the cost of room and board of each while attending the short course.

Interested organizations and individuals may obtain application and nomination forms from your Alberta Wheat Pool agent.

A Midnight Snack For Two...

I like to sneak in late at night,
And fix myself up a tasty bite;
When the better half has gone to bed,
With curling pins stuck around her head,
I open up the fridge with care,
To see just what is hidden there;
I find some sauce, and a little meat,
A few potatoes and a jar of beef,
There's some carrots, mixed with a few green peas,
And a nice big piece of cheddar cheese;
A good big slice of garlic sausage ring,
Now I have a feed that's fit for a king,
A bottle of Coke, or lemonade,
Unless there's a pot of coffee made;
A piece of pie, with good thick cream,
I just hope this won't make me dream,
Now I am all set to have a feast,
And make of myself a hoggy beast;
The fridge door shut with quite a bang,
And the wife shouted, "Is that you, Sam?"
Now you're supposed to share and share alike,
It will keep you from getting in many a fight;
So I invited the wife to bring the cream,
And she could be my special Queen,
We both sat down to this big feast,
And enjoyed ourselves to say the least;
We had no thought of middle-age spread,
Or of our figures in the years ahead.
